Pre-Construction Services

Creative Builders Group can help you analyze the market, develop the product and create your hard cost budgets.

Our team will help you with this process by examining the markets, looking at the product and forecasting the construction costs so that you can make a proper decision as to the viability of your project. Services include:

- ▶ Budget Forecasting
- ▶ Land Development
- ▶ Due Diligence Reports
- ▶ Land Acquisitions
- ▶ Design and Entitlement
- ▶ Capital Needs Assessment
- ▶ Code Compliance Review
- ▶ Warranty Management

We will help you create and defend the hard cost budgets and can offer any number of contract types including GMP, Stipulated Sum and Cost Plus a Management Fee contracts. These services can be applied as necessary depending on your individual needs. Our goal is to ensure that you have the proper information prior to making the commitment to your project. We help avoid surprises during the construction process.

“Gumberg Asset Management Corp. appreciates the excellent work of Creative Builders in the newly renovated Northeast entrance at the Coral Ridge Mall Shopping Center in Fort Lauderdale. Creative excelled at being “team players” and most importantly completed the construction project on time and within budget!!!”
